

## How to reach Ridgeway Biologicals Ltd, Compton:

Those approaching Compton from the M4 should leave the motorway at Junction 13 and drive northward on the A34 towards Oxford.

After about 5 miles signs will be seen for East Ilsley and Compton. Take the slip-road to the left and proceed through East Ilsley, bearing left after the “Crown and Horns” pub, and follow signposts for Compton.

After about 2 miles you will enter the village of Compton. After passing The Swan (Compton) pub on your left, take the 3<sup>rd</sup> left turning (after about 200m) into Wilson Close and then bear left again into the Old Station business park. We occupy the first 3 units on RHS as you enter the business park.

Those approaching Compton from the north on the A34 will see a left turn after passing a garage and crossing the Ridgeway. Follow signs to East Ilsley and Compton. After about 1 mile, turn left at the crossroads opposite the “Crown and Horns” and “Swan” pubs, the follow directions for Compton as above.
